Extension of condition date – Acquisition of the assets and business of Central Suction Cleaners Limited

By way of update to its announcement of 7 February 2023, WasteCo advises that its due diligence for the proposed acquisition of the business and assets of Central Suction Cleaners Limited (**CSC**), based in Nelson, is progressing well.

The parties have agreed a short extension for satisfaction of the various conditions under the CSC agreement until next Monday, 27 February 2023.

About WasteCo

WasteCo is the South Island's leading waste solution focussed company, diverting over 50% of all waste it receives and processes from landfill. We have solutions for customers as diverse as retail stores to high end manufacturing facilities.

Our focus is on saying YES and delivering outcomes for our customers that ensure they are at the leading edge of the sustainability frontier.

WasteCo provides not only waste and sorting options but also waste remediation, sweeping and industrial cleaning services, using leading edge technology as well as highly trained and customer service focussed personnel.

Let WasteCo take care of your waste, sweeping or industrial services requirements safe in the knowledge that by doing so you are part of a team that is helping to change the face of the Waste industry.
